

FANTASTIC FIRE STATION TRIP

On The 21ST OF MARCH
2025, Glassary Primary
School went on a fun-
filled school trip to the
doohigilphhead fire station.

their equipment and
suits over the years.
They discovered that
the modern suits were
much more safe than

the ones from years
before. After this they
went outside and looked
in the lockers on the
fire truck, they were
full of equipment like,
hose, water pumps and

At 09:45AM the pupils
of Glassary Primary
got on their bus to an
amazing trip. When they
arrived at their destination
they met fire chief Duncan
ditster to show them around
the station with the rest of
his crew.

After they ate their snacks
the fire people showed them

oxygen masks for pets.

The children then got a
chance to sit in the fire truck,
it was really fun.

For their last activity they got
to try on the protective clothing,
tunic and helmet while spray the
hose. Just as they were about
to leave, the fire service got a
call, so the kids got back on
their mini bus and waved
goodbye, as sirens whined.
